January 2005 Show

Happy New Year from the Entertainment Department! We've put together a brand new show for you guys that's really a lot of fun. From Bob Seger's "Old Time Rock N Roll," Sister Hazel's "All For You," and great original tunes like "Chores (written by our very own Matt Schartz)," we know you're gonna love it! We've even included some brand new intermission pieces, along with some really hip new CEC TV logos.

One important note: due to the popularity of the tune, we've brought back "Born to Hand Jive" as your live show. This interactive piece is a great tool to connect with our guests and have some real FUN in our locations! We've heard some good reports from the Training Department that there's some really cool performances going on out there. Keep up the good work…and let's keep MAKING MAGIC!

PS- Happy Winter 1-derland!

Winter 1-derland scarf

You should have received a scarf with your winter 1-derland package, for your animatronic character(s). This is a great enhancement and is sure to add to the winter theme.

Included with the scarves are installation instructions and pictured is the way that the scarf should be displayed. You should check the scarf daily to see if it needs adjusting. Be sure and hang on to your scarves after the promotion and keep in a safe place for possible future use.

Studio C locations will receive 1 scarf and 3 stage and CEC Stage locations will receive 5 scarves, 1 for every character.
